
Cities: Skylines - Content Creator Pack: European Suburbia Download No Crack

Download -->-->--> <http://bit.ly/2NHVgBr>

About This Content

European Suburbia, the newest content creator style pack for Cities: Skylines is bringing the suburban fantasy of Europe to city builders around the world. Players can expand their city with 80 new special residential buildings and props, straight from modder Samantha “Avanya” Woods, inspired by cities throughout Europe, including England, Germany, Sweden, Denmark and Holland!

English,French,German,Polish,Russian,Simplified Chinese

What a dud. Drab brown houses and more boring brown houses. Kind of looks like the neighborhood burned down.. Cool assets that help offset the ugh factor that a lot of Paradox-made houses and commercial buildings have

Also helps to support a modder who's made over 500 FREE assets

So, here's what you do, buy this and support her - and THEN download ALL her content - to support her some MOAR :D
